Greatwood and Horseclose Creative Communities Project 2021

We are absolutely delighted to be working in collaboration with the Greatwood and Horseclose Creative Communities Project (a Lottery Funded Project.)

We would like to invite you and your family to take part in this 12 week project with us.

The aim of the project is to enable our Greatwood families to put down their electronic devices at least once a week and spend some quality time together.

Every Wednesday your child will bring home a new creative box/activity for you to try as a family (then return the box the following Wednesday)

The activities will range from painting and sports to cooking!

All equipment will be provided for you and there is no charge. All that we ask is that once you have completed the activity that you carry out the enclosed evaluation and that you send us Tweets or emails with photos.

Because this is a National Lottery funded project we do need to evidence the impact and we are hopeful that if the project is successful that we will receive further funding to extend the project even further.

We are delighted to have you on board and hope that you and your child(ren) thoroughly enjoy taking part.

Kind regards

Mrs J Yeoman NPQH and Melanie Dekker

Headteacher
