

# Greatwood Eco-School Action Plan 2021-2022

<p><b>Eco-Schools Topic 1</b></p> <p><b>Energy</b></p>	<p><b>Action(s):</b> Y6 to carry out an energy investigation. October 2021 Eco Rangers to look at energy costings and amount of energy being used. Identify 'switch-off monitors' for each class. Monitor energy consumption throughout the year.</p>	<p><b>How long will it take?</b> Initially a year.</p>	<p><b>How will we monitor progress?</b> We will have energy as a standing agenda item for each meeting. We will invite Mrs Busfield and Mrs Firth to a meeting to discuss energy and best value. We will compare</p>
<p><b>Aim:</b> To reduce the amount of energy that is wasted on a daily basis. To monitor energy use levels used throughout the year.</p>		<p><b>Who is responsible?</b> Eco-Rangers x4 members School Business Manager (Mrs Busfield) School facilities manager (Mrs Firth) Switch-Off monitors</p>	<p><b>Evaluation:</b></p>
<p><b>Eco-Schools Topic 2</b></p> <p><b>Litter</b></p>	<p><b>Action(s):</b> Y6 to carry out a litter investigation. October 2021. Eco rangers to monitor the amounts of litter. Eco Rangers to present to all classes. Eco-Rangers to write to the mayor of Skipton Litter picking sessions. Trip to the recycling centre.</p>	<p><b>How long will it take?</b> Initially this year, but we are hopeful that this approach will have a sustainable impact.</p>	<p><b>How will we monitor progress?</b> Initial investigation by Y6 will set targets. We will collate monthly graphs and tables, showing the amounts of litter produced. The children will work collaboratively with all classes to actively reduce waste.</p>
<p><b>Aim:</b> To reduce the amount of litter within the school grounds. To reduce the amount of rubbish from school that ends in landfill.</p>		<p><b>Who is responsible?</b> Year 6 will carry out the initial investigation. Eco-Rangers x4 members Chris-McKimm (Caretaker) Mrs Firth (facilities manager) Cleaners</p>	<p><b>Evaluation:</b></p>
<p><b>Eco-Schools Topic 3</b></p> <p><b>Transport</b></p>	<p><b>Action(s):</b> Y6 to carry out an investigation into Transport in October 2021. Eco rangers to plan in events within the school year to reduce vehicles being used for travelling to school eg: Walk to school week etc. Switch-off your car whilst you wait at school project. Chris McKimm-Class presentations on electric cars.</p>	<p><b>How long will it take?</b> Initially this year, but this will be ongoing.</p>	<p><b>How will we monitor progress?</b> Initial investigation will be completed by Year 6 and presented to the Eco-Rangers. We will collate termly data and data linked directly to the walk to school weeks.</p>
<p><b>Aim:</b> To reduce the amount of traffic around school. To encourage children to walk, cycle or scooter to school on a daily basis.</p>		<p><b>Who is responsible?</b> Year 6 will carry out the initial investigation. Eco-Rangers x4 members Parents of Greatwood children</p>	<p><b>Evaluation:</b></p>
