Choose your own homework activity from each row (there is an expectation that all children complete at least one homework from each row) and earn Dojo Points! You can do as many activities as you like, but remember to hand them in to get your Dojo Points. The better your work the more points you will get. Your parent must sign the sheet for you to get your points. Happy choosing!

On the morning of the 15th December we will have a Homework Celebration Assembly.
